

## Class of 2014 Leadership Action Team Projects Overview

### 1. Devereux Florida

*"Brevard Advocate for Fostering"*

Engage business leaders, schools, churches and the community to support efforts to develop a pool of prospective families that reflect the diverse characteristics of children who need foster and adoptive homes

### 2. Brevard Workforce

*"Industry Intelligence Transfer (IIT) Forums"*

As part of a Business to Jobs service delivery model, an integral part is the ability for frontline staff in the Career Centers to be aware of businesses in various industries. Project would provide knowledge transfer forums in a manner that is educational and result in greater awareness of industries in Brevard

### 3. Health First Bright Star Center for Grieving Children

*"Teens Reaching Out Through the Grief"*

Produce a film that allows the teen group to tell their stories. Sharing their stories of grief, survival and healing is a very important step for these teens to continue their life in a productive and healthy manner.

### 4. Brevard Family Partnership

*"Building Brighter Futures for Brevard's Foster Youth and Young Adults"*

Develop a Youth Advisory Board, comprised of young adults, who are currently in Brevard's foster care system and will serve as the voice of fellow peers. Board will provide a platform to suggest improvements to the system develop communication and educational tools and organize activities and events. Team will develop an organizational model for the Youth Advisory Board that will take it from inception to sustainability

### 5. Family Promise of Brevard

*"Helping Brevard's Homeless Families"*

As a national organization with a new affiliate in Brevard; Family Promise has been working for the last few years to prepare the organization to be open and operational. The project will help create and promote a community awareness campaign inclusive of an event, a social media blitz, design of promotional materials, and assistance with community connectivity.
