

# GET CONNECTED TO BREVARD'S #1 LEADERSHIP NETWORK

## CONGRATULATIONS TO THE LEADERSHIP BREVARD CLASS OF 2018

Leadership Brevard is an eight-month program designed for leaders in their respective fields who demonstrate a deep commitment to improving the quality of life in Brevard. The annual September through May curriculum guides a group of diverse community professionals through a highly interactive series of seminars on critical issues.

Community information, building relationships and networking with key community leaders and decision makers inspire participants to address community challenges and provides opportunities to enhance self-awareness of leadership approaches.

**LEAD Brevard's mission...working together to strengthen our community by inspiring people to lead.**
