 - **Monday, March 1, 2022**
(nearly 1 year after the completion of the Community Acceleration Project)

LEADERSHIP

BREVARD

Be a part of Leadership Brevard Class of 2021 as a Community Acceleration Project

Leadership Brevard is entering its 35th year of achieving excellence in leadership in Brevard County by “working together to strengthen our community by inspiring people to lead”. The program goals of Leadership Brevard are:

- **Community Education:** gain greater understanding of Brevard County
- **Relationships:** build long-term bonds with Leadership Brevard class members
- **Network:** connect and engage the Leadership Brevard class with the alumni network and community leaders

All class members are required to participate in a Community Acceleration Project (formerly known as: Leadership Action Project). These Community Acceleration Projects are a leadership learning experiences for the participants and provide a meaningful benefit to the community organization.

LEAD Brevard strives to provide exceptional offerings and service. In these changing times, to make sure program enrollees are confident in engaging with us, we share the following –

- **LEAD Brevard will adhere to CDC and government recommendations to ensure safe programming. Program dates, meetings, and class sizes may be adjusted based on recommendations from health experts.**
- **Some sessions and meetings previously conducted in-person may move to virtual formats in order to follow social distancing recommendations; a hybrid of virtual and in-person content delivery strategies are currently being evaluated.**

LEAD Brevard seeks project proposals from Brevard County's municipalities and nonprofit organizations 501(c)(3) for consideration as a Community Acceleration Project for the Leadership Brevard Class of 2021.

Project proposals should be designed with the understanding that the Leadership Brevard class is comprised of talented and professionally accomplished individuals. We seek projects with clearly defined end goals that utilize the skills of 7 - 10 team members, with different skills and experience and that will benefit an established 501(c)(3) nonprofit agency or public sector organization.

What types of projects qualify?

The project(s) may be a community service activity or development of a proposal addressing a community issue, which are presented to key decision makers.

To view previous Community Acceleration Projects/Leadership Action Projects during Leadership Brevard 2018, 2019, and 2020 class years visit:

<http://www.leadbrevard.org/leadership-brevard/leadership-action-projects/>

CRITERIA:

- The project must fit within the scope of LEAD Brevard's mission statement - *Working together to strengthen our community by inspiring people to lead* and should be action-oriented with a clear value to the community upon the projects' completion;
- The project must have clear and defined outcomes, including an outline of the resources required (materials, money, labor, etc.) necessary for success, a plan for securing these resources and a mechanism or plan for evaluating the project's success;
- The project must have an end (a point at which it can be discontinued or transitioned to a permanent program or another entity; LEAD Brevard and the Leadership Brevard annual class do not assume project ownership at the end of a project);
- The project should impact a large number of people or affect a group that has a significant need;
- The project must be non-partisan (not support a political group, candidate, or position);
- Project proposals must identify the opportunities for leadership development (beyond team work and community contributions) as an inherent part of any proposed project;
- Project proposals must have the approval of the appropriate governing body and must contribute a by-name staff individual as a direct liaison with project team. 501(c)(3) nonprofit agencies must also provide the name of at least one Board of Directors' representative.
- **No project may be fundraising in nature; any funds raised to support the project are the sole responsibility of the organization/municipality.** Leadership Brevard class members' program participants may NOT engage in fundraising for the project NOR use the LEAD Brevard, Leadership Brevard affiliation or name in any fundraising. Any funding that may be needed to complete the project is solely the responsibility of the nonprofit or municipality organization
- **Projects must be able to be completed within the eight-month time frame (October 2020 – April 2021) of the leadership program.**

LEAD Brevard will evaluate proposals submitted by the deadline; one project or several projects may be selected. Additional project proposal information may be requested at the discretion of LEAD Brevard.

If selected, LEAD Brevard will notify the nonprofit agency or public sector organization with a request to participate in a Community Acceleration Project reception on Thursday, September 17, 2020 (time TBD) and will take place in-person or virtually (TBD). It is mandatory that a liaison from any selected agency/organization attend the Placement Fair on September 17, 2020 to answer any questions the group may have at this juncture, facilitating open communication and clarifying expectations.

If your organization's project is selected, LEAD Brevard expects you (or a designated staff member) to:

- Attend virtual or in-person meetings (adhering to CDC and government recommendations) with the project team to assist the team in moving from the general project description/goal to more specific project objectives
- Be engaged with the team and available for phone calls and/or meetings and participate in mutual project feedback.
- NPO or municipality must assign a by-name staff individual to be direct liaison with project team.
- Provide LEAD Brevard with a written summary on a monthly basis outlining project status and progress (October 2020 – April 2021).
- Upon completion of the CAP project (nearly 1 year later), provide LEAD Brevard with a written impact report. How has the CAP project impacted the organization/community?

Leadership Brevard Class of 2021 will present the results of the project(s) as part of a community celebration event the evening of Thursday, April 22, 2021. (Location TBD)

If you have a community project proposal that meets LEAD Brevard's qualifying criteria, please complete a proposal application and return it to the LEAD Brevard no later than **4:00 p.m., Monday, July 13, 2020.**

How to submit your proposal:

Email to Candice Barton: Candice@LEADBrevard.org

Or Mail to: LEAD Brevard 123 Barton Blvd., Suite 101, Rockledge, FL 32955

LEADERSHIP

BREVARD

2020 - 2021 Community Acceleration Project ORGANIZATION INFORMATION
Must be a nonprofit 501(c)(3) tax exempt organization or a
Brevard County Municipality to apply

Nonprofit/Municipality Name: _____

Tax ID# (FEIN): _____

Address: _____

City: _____ Zip: _____

Phone: _____ Website: _____

Liaison Information: The liaison is a representative of the nonprofit agency or public sector organization who must be knowledgeable about the project and committed to providing operational support for it; meeting regularly with the project team as a team member. The liaison is an integral part of the Leadership Action Project, providing valuable information about both the organization and those it serves.

Name: _____

Title: _____

Email: _____

Signature: _____ Date: _____

Organization Board Liaison Information (Nonprofit only): Projects should have the approval and commitment of their governing board and name an organization liaison from the board that will be able to participate in developing the project and in the process of implementation. Furthermore, if selected, LEAD Brevard may require documentation of a Board of Directors resolution from the organization's Board of Directors' approving the project.

Name: _____ Title: _____

Address: _____

City: _____ Zip: _____

Phone: _____ Email: _____

LEADERSHIP

BREVARD

2020 - 2021 Community Acceleration Project PROPOSAL

Please submit a proposal utilizing the following headings:

1. **Name of Project**

Give the project a title that conveys the essence and summarizes the purpose of the project and the organization in order to attract attention.

2. **Agency**

The “agency” is the beneficiary (nonprofit, municipality, or population) that will benefit from the project.

3. **Project Description**

This is an outline of what the Leadership Action Project will do for the agency during the seven-month project period. Group members will use the project description as a guide in forming their project plans. Proposed projects should be unique to the Brevard community.

4. **Needs Assessment**

Why is the project needed? How will the project have a positive and long-term impact in the community? Who is the target audience?

5. **Specific Goals, Objectives, and Measurements**

The specific objectives should provide measurable targets for the Leadership Action Project with short, intermediate and outcome goals. Team members are evaluated on whether they have formulated specific objectives and have met their stated goals.

6. **Resources Available and Sustainability**

Please detail anything that the agency and/or the liaisons will make available to the Project such as clerical support, technical expertise, office supplies, etc. during the project. How will the agency sustain the program/project after this project is completed?

7. **Resources Needed**

Please explain any resources required that the Project group members will have to assemble in order to fulfill the goals of the project. NOTE - Leadership Brevard program participants may NOT engage in fundraising for the project nor use the LEAD Brevard, Leadership Brevard affiliation or name in any fundraising. Any funding that may be needed to complete the project is solely the responsibility of the nonprofit agency or public sector entity. In-kind contributions (non cash) may be considered as an approved resource on a case by case basis.

8. **Special Skills Needed**

What are the major activities associated with this Project? Please specify any talents and expertise that would be useful in order for group members to complete the project; these can be available from within the Project group members or recruited from the community.

9. **Additional information**

Please briefly describe any additional information that might be helpful to the evaluation task force.
