

Working together to strengthen our community by inspiring people to lead.

2015 - 2016 ANNUAL REPORT

LEAD ENGAGE ACHIEVE DEVELOP

Message from the LEAD Brevard Board Chair

JOSH FIELDLEAD Brevard Chairman
of the Board, 2016

Since 1985, LEAD Brevard's contribution to our community's future is best exemplified by the development and participation of our local leaders and as facilitator and host to the conversations that help move Brevard County forward.

Our Leadership Brevard Class of 2016 has thrived all year, creating personal bonds that will last well beyond their graduation, at which time they will join an extended family of 1,000+ program alumni. With the knowledge and social capital gained through our flagship program, the Class of 2016 is poised to help build a stronger community.

In addition to Leadership Brevard, this year's Annual Report highlights many of the great successes and events we shared together over the past 12 months – from our Leadership Awards to our Community Stakeholder Summit, and all the other opportunities to network, learn and build business and personal relationships throughout the year.

Looking to the future, the LEAD Brevard Endowment Fund represents our opportunity to support local leadership development in perpetuity through scholarships; I hope you will consider a gift to ensure that our established legacy of helping to develop Brevard County's future leaders and of hosting critical conversations will be cemented into place in a sustainable way.

As members of the LEAD Brevard family, each of us has a story to tell about where we are today because of Leadership Brevard – a story about our willingness to show up and participate.

Like the majority of Space Coast residents, I too am a transplant – having lived in New York City, Tucson, Chicago, St. Louis, Orlando, Kansas City and Dallas before settling in this hidden gem of Central Florida that I now call "home." Establishing roots can be challenging, especially for those who don't grow up in the community and have lifelong relationships upon which to build. For me, starting a new business in a new locale seemed overwhelming, so meeting people and getting involved became a top priority.

Fortunately, I found Leadership Brevard and entered the Class of 2007. Upon graduation, I joined the organization's board of directors, as its mission for "working together to strengthen our community by inspiring people to lead" aligned with my professional and personal values and beliefs.

For those of us who choose to capitalize on our Leadership Brevard experience, it serves as a springboard to connect and engage with those individuals and organizations that can and will influence the direction of the Space Coast for us, our children and generations to follow.

GET CONNECTED TO BREVARD'S #1 LEADERSHIP NETWORK

CONGRATULATIONS TO THE **LEADERSHIP BREVARD CLASS OF 2016**

Leadership Brevard is an eight-month program designed for recognized and emerging leaders in their respective fields who have demonstrated a deep commitment to improving the quality of life in Brevard.

The annual September through May curriculum guides a group of diverse community professionals through a highly interactive series of seminars on critical issues. Monthly sessions include site visits and interactions with key decision-makers to inspire participants to address community challenges, as well as opportunities to enhance self-awareness of leadership approaches.

Building Community Through

LEADERSHIP BREVARD

Leadership Action Projects

A 'leadership laboratory' Leadership Action Projects (LAP)s are a key component of each Leadership Brevard class. In 2016, eight projects were selected through a Request for Proposal (RFP) process and undertaken by the members of the Leadership Brevard class. Over 900 volunteer hours at \$21.79* equals \$19,720.00 of economic impact to our community and solutions to challenges faced by our nonprofit and public sector partners.

Members of the Leadership Brevard Class of 2016 participated in a cultural dining experience at Tandoor Fine Indian Cuisine with host Glad Kurian as one of several optional program enhancements.

IN 2015-2016 LEADERSHIP ACTION PROJECTS WERE:

2-1-1 Brevard

"NextGen 2-1-1: Raising Awareness Under 30"

2-1-1 Brevard is developing a two-tiered marketing/awareness plan to reach potential callers ages 18-29 as well as potential users for a new text platform for helpline communication.

CareerSource Brevard

"Expansion of CareerSource Brevard's Paid Work Experience Options for Young Adults"

Team members utilized their industry and business networks, as well as their knowledge of corporate structure and local employers to implement an outreach and marketing project to educate businesses of the benefits of hosting paid and unpaid work experiences and internships for young adults new to the workforce or new to their career pathway.

City of Cocoa

"City of Cocoa Community Survey"

The survey of citizens and special event visitors gave the city an opportunity to measure performance over time by tracking resident and visitor evaluations of the community and city service delivery.

Friends of Children of Brevard, Inc.

"Marketing Plan for Friends of Children of Brevard, Inc."

Developed a marketing plan and strategy to launch Friends into the future by creating a set of marketing steps to be used as a framework by our organization and boosted the recruiting efforts of the Guardian ad Litem program to engage and retain volunteers to advocate for our abused children.

Guardian Ad Litem 18th Circuit

"Recruitment and Retention Initiative for the Guardian Ad Litem Program"

The team worked to develop a strategy to recruit new and retain current volunteers. A successful volunteer recruitment event was held in April and secured new volunteers for the program and introduced over 100 people to the program.

*(WASHINGTON, April 3, 2012)—Independent Sector announces that the 2011 estimate for the value of a volunteer hour has reached \$21.79 Leadership Brevard 2016 class members pose for a photo during SIMSOC (simulated society.)

Leadership Brevard 2016 Guardian Ad Litem 18th Circuit Leadership Action Project team members held a volunteer recruitment event, conducting new volunteer interview accepting new volunteer applications.

Honor America, Inc. / Liberty Bell Memorial Museum

"Brevard Veterans Services Network"

This team worked to enhance the network of private sector Veterans groups; Honor America identified opportunities for partners to leverage network resources while increasing Honor America's relevance to the community. The work included establishing Honor America as a hub for private sector Veterans services and support organizations in Brevard County and expanded the community of supporters, service providers and the resources available to them.

Junior Achievement of the Space Coast

"Volunteer Management Strategic Plan Template for Nonprofits"
This LAP utilized the time and talents of team members to research, strategize, and create a strategic plan template for Volunteer
Management focusing on recruitment, retention, and relations; and created a database of Brevard volunteer resources and template for volunteer information.

Junior League of Central and North Brevard

"The Junior League of Central and North Brevard's Homework Helpers"
This team worked to provide an assessment of how a reading skills
literacy program could be of the greatest service and have the most
significant impact on our community. Tasks included determining where
and how the tutoring program would have the most impact.

LINKED TO

LEAD Brevard's Alumni and member based programming, including capacity building for organizations via our annual board governance workshop, strives to address the multiple interests of LEAD Brevard members and Leadership Brevard graduates, ranging from networking and social time to professional development opportunities.

In the 2015-2016 program year, Linked To Leaders activities and events included –

Leadership After Hours, , LEAD Brevard's social networking events were held at Pizza Gallery & Grill (September and April), Florida Beer Company (November), Otjundu's (January) and Wine on the Grove/Parrish Grove Inn (March).

Leadership After Hours brewery tour at Florida Beer Company

Board Governance Training, a day long workshop on best practices of board governance and board fundraising with Senior BoardSource Governance Associate Chuck Loring (January) with support from the Community Foundation for Brevard.

Leadercast BREVARD

Leadercast© is the world's largest one-day leadership conference, broadcast LIVE from Atlanta and simulcast to hundreds of locations around the world. 2016 marks the 5th year that Brevard County, Eastern Florida State College and LEAD Brevard have partnered to bring this event to Brevard. The theme of the 2016 conference, "Architects of Tomorrow," focused on visionary leaders who imagine and build a future that is rich in innovation, collaboration and full of hope.

Leadership Brevard Class of 2015 Alumni connection resulted in \$50,000 worth of refurbished government laptops donated to Endeavour Elementary School Magnet School in Cocoa through the Government Services Administration (GSA) computer donation program.

2016 LEAD Brevard's Leadership Awards

In February, 300 community leaders joined nominees and guests for the 2016 LEAD Brevard Leadership Awards featuring the 12th annual '4 Under 40' Recognition and the presentation of the Rodney S. Ketcham Leadership Icon Award, and the Leadership Brevard Distinguished Alumni Awards.

'4 Under 40' recognizes young adults who have made tangible differences in their community and have shown leadership in practice and deeds. Twelve finalists, chosen from over 50 nominees were honored during the evening's event on the Florida Tech Campus.

COMMUNITY STAKEHOLDER

SUMMIT

FUTURE THINKING: Smart Community Building

Friday, October 30, 2015

The theme of 'Future Thinking – Smart Community Building' focused attention on how major economic drivers in our community are adapting to the demands of their industries and markets. Each of the institutions featured operates differently than they did in the last economic cycle; in those stories of change are lessons and opportunities for us all.

LEAD Brevard is proud to host the Space Coast's annual stakeholder summit, featuring the state of the county presentation. We patron the concept that leadership wants to — and should — provide information and feedback. As Brevard's leadership needs continue to evolve, LEAD Brevard remains a constant resource for growing the next generations of community leaders and convening conversations that influence our community.

Brevard County Manager Stockton Whitten provided an overview of the state of the county and reminded those present of the key objectives of Brevard County government; a community which excels and is recognized for providing a broad array of quality of life services —

- Assuring Quality Infrastructure
- Maintaining and facilitating Livable, Safe and Secure Communities
- Maintaining the Justice System

- Economic and Community Development
- Providing Assistance to Those in Need
- Protecting Natural Resources, Cleaning Up and Preventing Environmental Risks
- Ensuring Civil and other Liberties

Following Mr. Whitten's remarks, a group of community leaders reacted to those comments and to questions from moderator Matt Reed, Public Interest Editor, FLORIDA TODAY Communications. Community panel members were Janet Petro, John F. Kennedy Space Center; Kim Rezanka, Dean Mead Law Firm; Peter Richards, Gulftainer Group and Captain Winston Scott, Florida Institute of Technology.

LEAD Brevard's Financial Highlights YE 2016

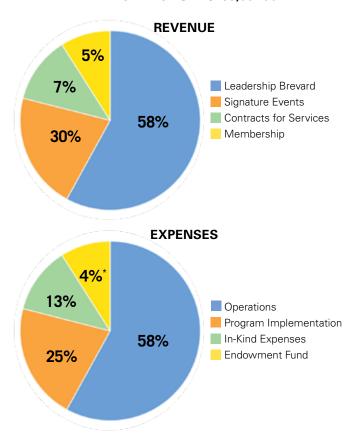

In June 2014, the LEAD Brevard Board of Directors approved the creation of the LEAD Brevard Foundation Fund, a philanthropic and charitable fund to begin an endowment to support and sustain the programs of LEAD Brevard with scholarships to its signature program Leadership Brevard and other organizational support.

Milo Zonka, Leadership Brevard '2005 and immediate past chairman of the board of directors says, "This fund represents the culmination of dedicated community leaders' efforts as volunteers over the last 31 years. The LEAD Brevard Foundation Fund will assure that LEAD Brevard can provide a forum for critical leadership learning and candid community discussions far into the future".

Building an endowment fund ensures that the leadership of the future will have the opportunity to participate in and benefit from the connections that are part of every Leadership Brevard class.

A gift to the LEAD Brevard Endowment Fund is a pool of capital that is self-perpetuating. Donations are combined and invested to maximize returns while preserving capital. In this way, we are building an important legacy that will enable us to respond to emerging community needs. Consider making your legacy gift to the LEAD Brevard Foundation Fund at the Community Foundation for Brevard.

ANNUAL BUDGET \$299,867.00

*The fund is initially seeded with monies from LEAD Brevard cash reserves and is in partnership with the Community Foundation for Brevard.

Share the Leadership!

Are you one of the 51%?

If 51% of Leadership Brevard graduates contributed just \$500 during one fiscal year, we'd raise over \$250,00! With a 3% ROI, LEAD Brevard could offer multiple Leadership Brevard class of 2017 scholarships.

Leaders don't create followers, they create more leaders!

View the following testimonials from Class 2016 leaders who have benefited from a partial scholarship —

As a scholarship recipient, I'm forever grateful for the opportunity. Starting a new job is financially tough; scholarship funds provided the means to attend. Leadership Brevard is an investment in yourself and the curriculum provides insight across our community of what it takes for it to function. Connections are made with people you would never meet in the course of normal activity. This is a "must take" course for leaders at every level in Brevard County.

— John Nederhoed Business Development Manager Brevard Achievement Center

Leadership Brevard was an incredible learning and leadership experience. From my personal growth to my professional growth as well as establishing meaningful professional connections, this course has been both challenging and rewarding. I am proud to be associated with the business, academic, social service, and government leaders in Brevard who make up an incredible alumni network. Thank you for the opportunity to LEAD!

— Suzanne Cummins Manager Resource Development United Way of Brevard

I'm excited, my leadership is going to the next level. I made partnerships that will last for the rest of my life and this scholarship enabled me to do just that. Brevard will be better, my community will be better and my church will be better as a result of Leadership Brevard.

— Pastor Jarvis Wash The R.E.A.L. Church

Leadership Brevard connects like-minded community leaders from all types of organizations toward a common goal; a better community. Personally, it has been the most enlightening, rewarding experience in the 30 years I have lived in Brevard.

— Francisco Hernandez Account Manager TotalCareIT

2016 Membership Recognition

(June 2015 – as of March 2016)

Members support LEAD Brevard's ability to provide quality leadership development programs and resources for our community. As a member, you have access and a connection to the most unique network of diverse and influential leaders in Brevard. Membership has personal benefits too, and in the coming year, expanded offerings will continue to make this a worthwhile investment.

LEAD Brevard is proud to recognize our Leadership Brevard alumni who have chosen to stay connected with us and with their fellow alumni through membership. Our contributing alumni members "pay forward" their program experience, making it possible for us to continue developing strong, diverse leaders and accomplishing our mission of 'engaging and developing leaders to achieve a preferred future'.
